The Shining World Protection Award Receipt

Since 1990, Earth Walker Paul Coleman has traveled through 39 nations, spreading the environmental and peace message around the world and encouraging others to preserve our beautiful earth. By walking over 44,000 km, Earth Walker Paul Coleman has touched the hearts of countless people with compassion and devotion to greening our planet. As a result of his incredible inspiration and enthusiasm, over 11,000,000 trees have been planted through the world. <http://www.earthwalker.com/>

“ Most of all I really want people to understand that the fate of this planet lies within them.

I would like people to understand the simple thing to do is to be the example.”

Earthwalker Paul Coleman

We sincerely invite you to join Earthwalker Paul Coleman at the Global Warming Seminar and share in our efforts to save our planet.
